

Year 2 Topic:

Mr Messy

Get ready for a colorful journey with Mr Messy! This half-term, we are diving into geography and art through the beloved Mr. Men world. In geography, we will explore human and physical features around our school, contrast rural countryside settings with bustling urban cities, and examine aerial views to identify UK landmarks. In art, we will study Roger Hargreaves and pop-art icon Andy Warhol, experimenting with bold lines, colour wheel mixing, tints, tones, and texture collages to produce vibrant artwork.

Sticky Learning

- What is the difference between a natural feature and a built feature?
- What secondary color do we get when we mix red paint and yellow paint?

Vocabulary:

- Urban
- Rural
- Man-made
- Natural
- North
- South
- East
- West
- Countryside
- City

Key People:

- **Andy Warhol** - famous artist.
- **Adam Hargreaves** - the illustrator for Mr Men

Key Facts:

- In the countryside you will find windmills, meadows, hills and forests
- In the city you will find skyscrapers, cinemas, shopping centres, busy traffic and houses which are close together

Year 2 Topic:

Mr Messy

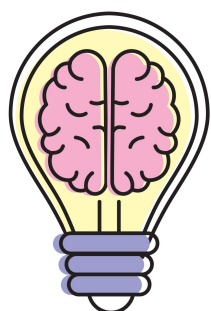

Engage

We start our topic with an exciting trip to Eureka! to fire up our imaginations and explore interactive exhibits. We will uncover different urban and natural places through play.

Develop

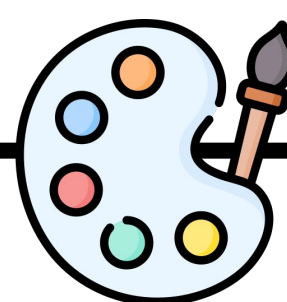

We will help Mr. Bump sort natural and built features around our school, compare rural and urban settings for Mr. Quiet and Little Miss Giggles, and analyze aerial photos. In art, we will master Roger Hargreaves' bold line style, mix tints and tones, create textured character collages, and print a pop-art masterpiece.

Enquiry Question

Can I create and design a Mr. Men character which lives in the countryside or city?

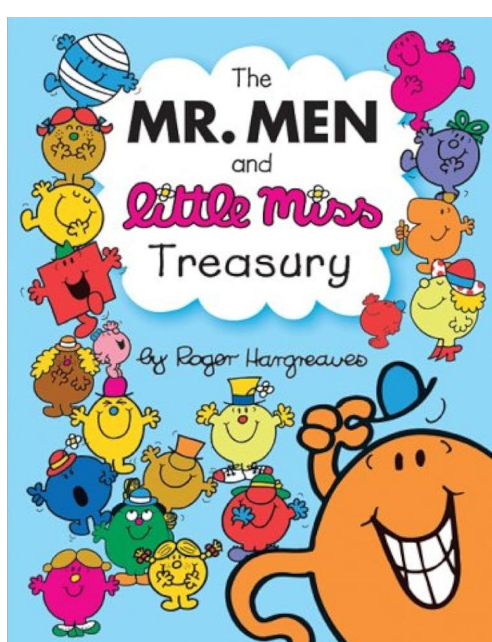

Art Brief

Create your Andy Warhol-inspired design using colour mixing, adapting tints, and block printing!
