

AUTUMN 1 – YEAR 3

TOPIC LINK: ROCHDALE PIONEERS

What's it about?

In this exciting time-travel adventure, friends Danny and Natalie are transported back to Victorian times, where they meet famous reformers and discover what life was like for children in the past. As they navigate danger and history, the pair learn about bravery, fairness, and standing up for what's right.

Why now?

As a Rochdale school, teaching Toad Lane Time Travellers connects pupils to their local heritage and history, making the learning more relevant and engaging. The book supports the history curriculum and promotes key values like courage, responsibility, and respect at a time when pupils are beginning to understand fairness and empathy in both past and present contexts.

AUTUMN 2 – YEAR 3

TOPIC LINK: THE STONE AGE

What's it about?

Stone Age Boy by Satoshi Kitamura is a fascinating time-travel adventure where a young boy accidentally stumbles into the Stone Age. There, he meets a girl named Om and her family, who teach him all about life in prehistoric times, including hunting, gathering, and making tools.

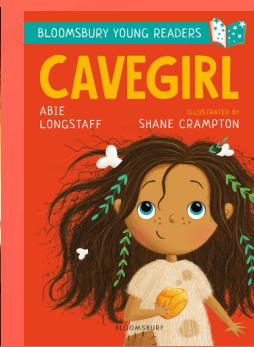

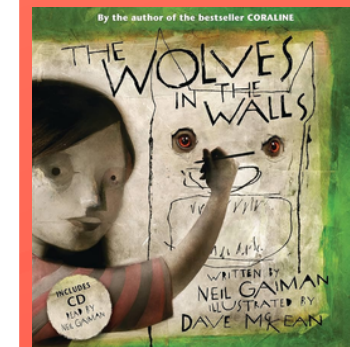

Why now?

Kitamura's writing allows Year 3 to fully appreciate how far human civilisation has come and enables them to understand just how long ago the Stone Age was. As the class enters the beginning of Key Stage 2, this tale of cooperation helps them reflect on their own friendships and togetherness.

SPRING 1 – YEAR 3

TOPIC LINK: NATURAL DISASTERS

What's it about?

Meredith Hooper's non-fiction story traces the 480-million-year journey of a single pebble from a molten volcano through ice ages to present day.

Why now?

Aligning with Year 3's 'Natural Disasters' topic, it provides an awe-inspiring introduction to geology, erosion, and Earth's changing forces. Hooper and Coady help children understand the relationship between our natural surroundings and the disasters that can affect it.

SUMMER 1 – YEAR 3

TOPIC LINK: THE IRON MAN

What's it about?

This classic story follows a giant metal man who mysteriously appears and begins eating farm machinery, causing fear among the people. However, when a huge space creature threatens Earth, the Iron Man proves to be a hero. Through this tale of fear, acceptance, and bravery, the story explores themes of understanding and transformation.

Why now?

The Iron man is a classic tale of overcoming impossible obstacles to make someone feel at home. It encourages tolerance and respect for all living things, as well as the courage to not be a bystander.
